

UNIQUE POWER CORPORATION

Company Profile

INTRODUCTION

Founded in 2011, Unique Power Corporation stands as one of Rajasthan's most trusted and technically proficient electrical contracting firms, specializing in Low Voltage Switchgear, Control Products, and Industrial Motors. With a strong focus on engineering excellence, safety, and customer satisfaction, the company delivers complete electrical solutions from supply and installation to servicing and preventive maintenance. Operating with a robust technical infrastructure and a dedicated team of professionals, Unique Power Corporation has earned a solid reputation across industrial and commercial sectors. Our commitment to innovation, precision, and uncompromised quality drives us to power the future of industries efficiently and reliably.

FROM THE DESK OF FOUNDER

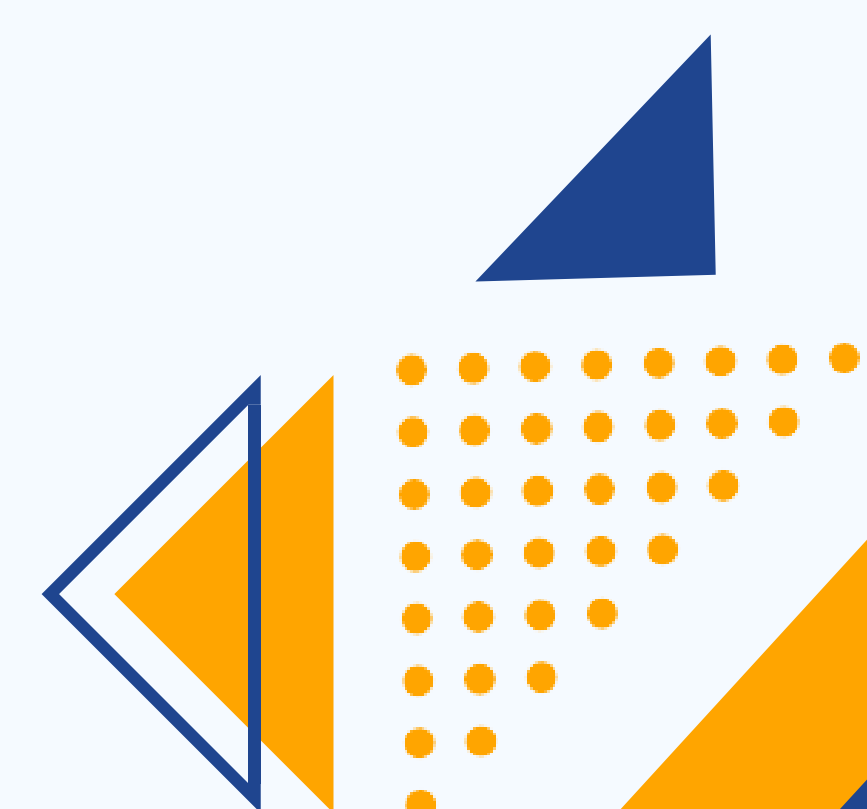

Powering industries with trust, precision, and reliability has been our mission since day one.”

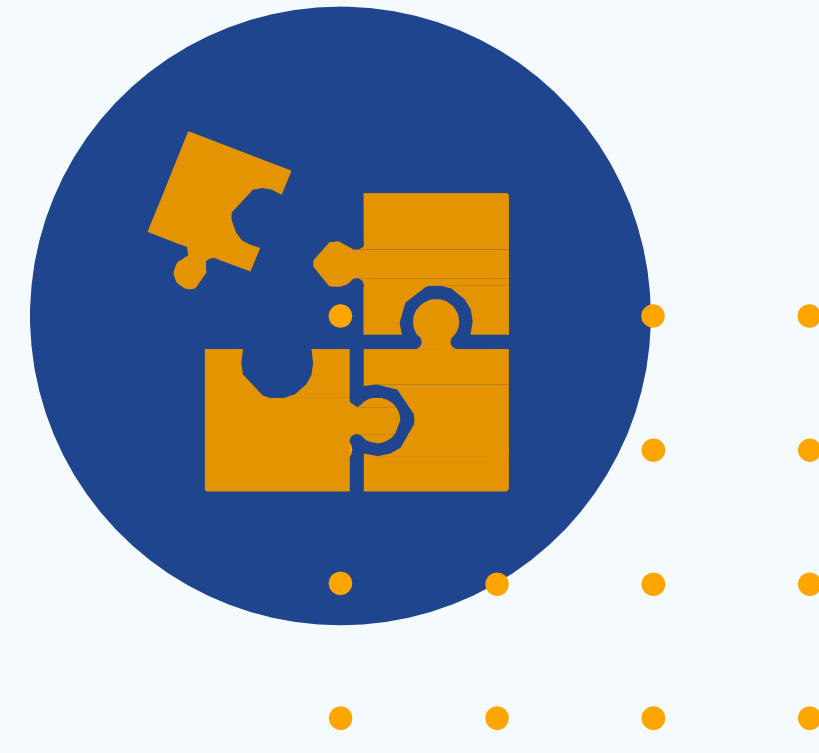

Since 2011, Unique Power Corporation has grown from a small venture into a trusted name in the electrical contracting industry. Our focus has always been on delivering safe, efficient, and quality-driven electrical solutions backed by integrity and customer satisfaction.

As we move forward, we remain committed to innovation, reliability, and excellence continuing to power progress across industries in India.

Roshan Bohra
Founder & Proprietor
Unique Power Corporation

VISION & MISSION

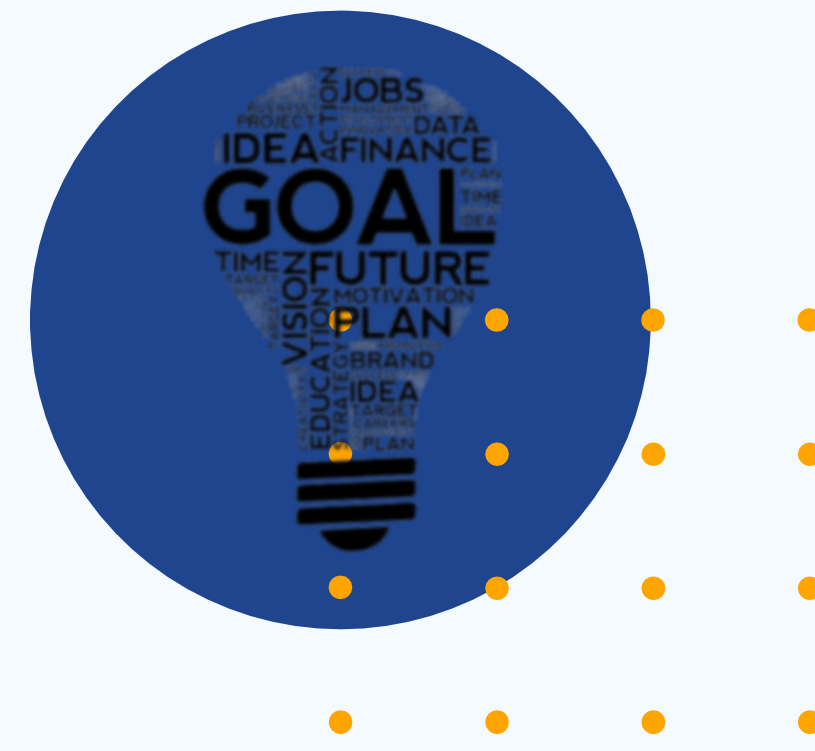

Vision: To be a national leader in industrial and commercial power systems, recognized for excellence, innovation, and reliability — empowering India's growth through safe, efficient, and sustainable electrical solutions.

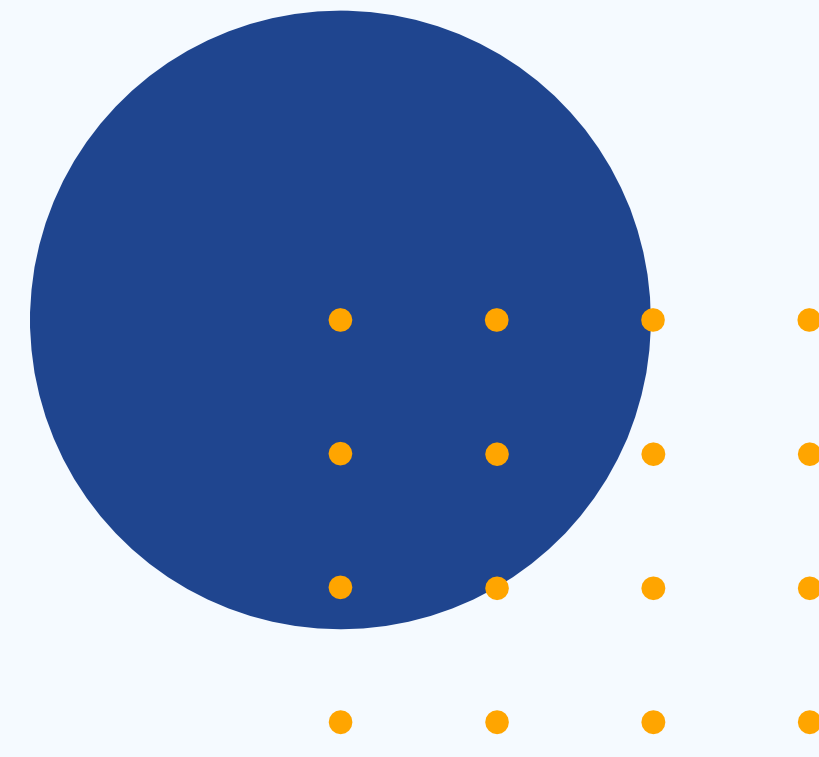

Mission: To provide reliable, efficient, and cost-effective solutions to our clients' electrical control panel needs, leveraging our expertise and technical capabilities.

OUR GOAL

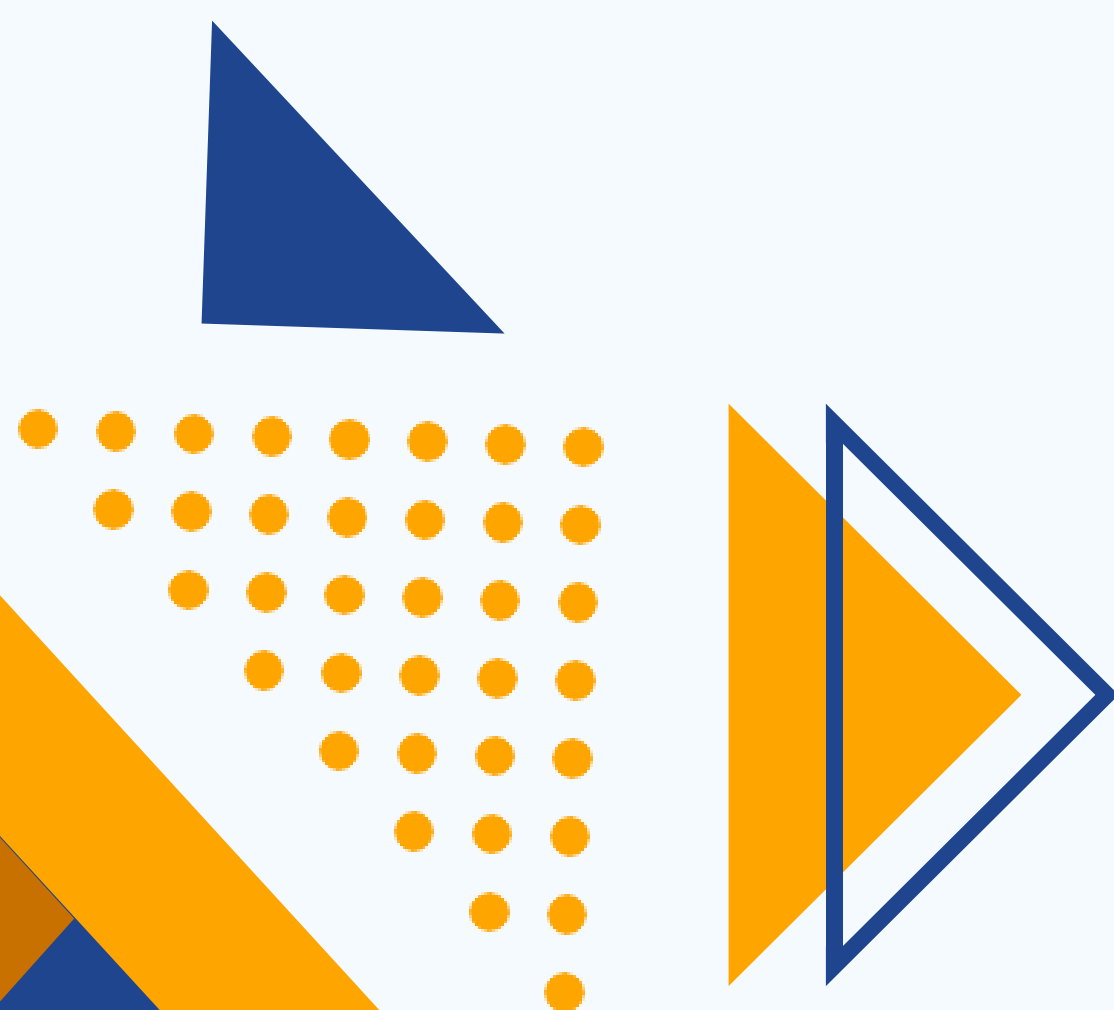

- **Customer Satisfaction:** Our primary goal is to ensure the complete satisfaction of our clients by consistently delivering high-quality products and services that exceed their expectations.
- **Innovation:** We aim to stay at the forefront of technological advancements and industry trends by fostering a culture of innovation within our organization. This includes continuously improving our products, processes, and services to better serve our clients' evolving needs.
- **Market Leadership:** We aspire to solidify our position as a market leader in the electrical control panel industry by maintaining a strong presence, expanding our reach, and continuously surpassing industry standards.
- **Employee Development:** We are committed to nurturing a supportive and empowering work environment that fosters the growth and development of our employees. Our goal is to attract, retain, and cultivate top talent who share our passion for excellence.

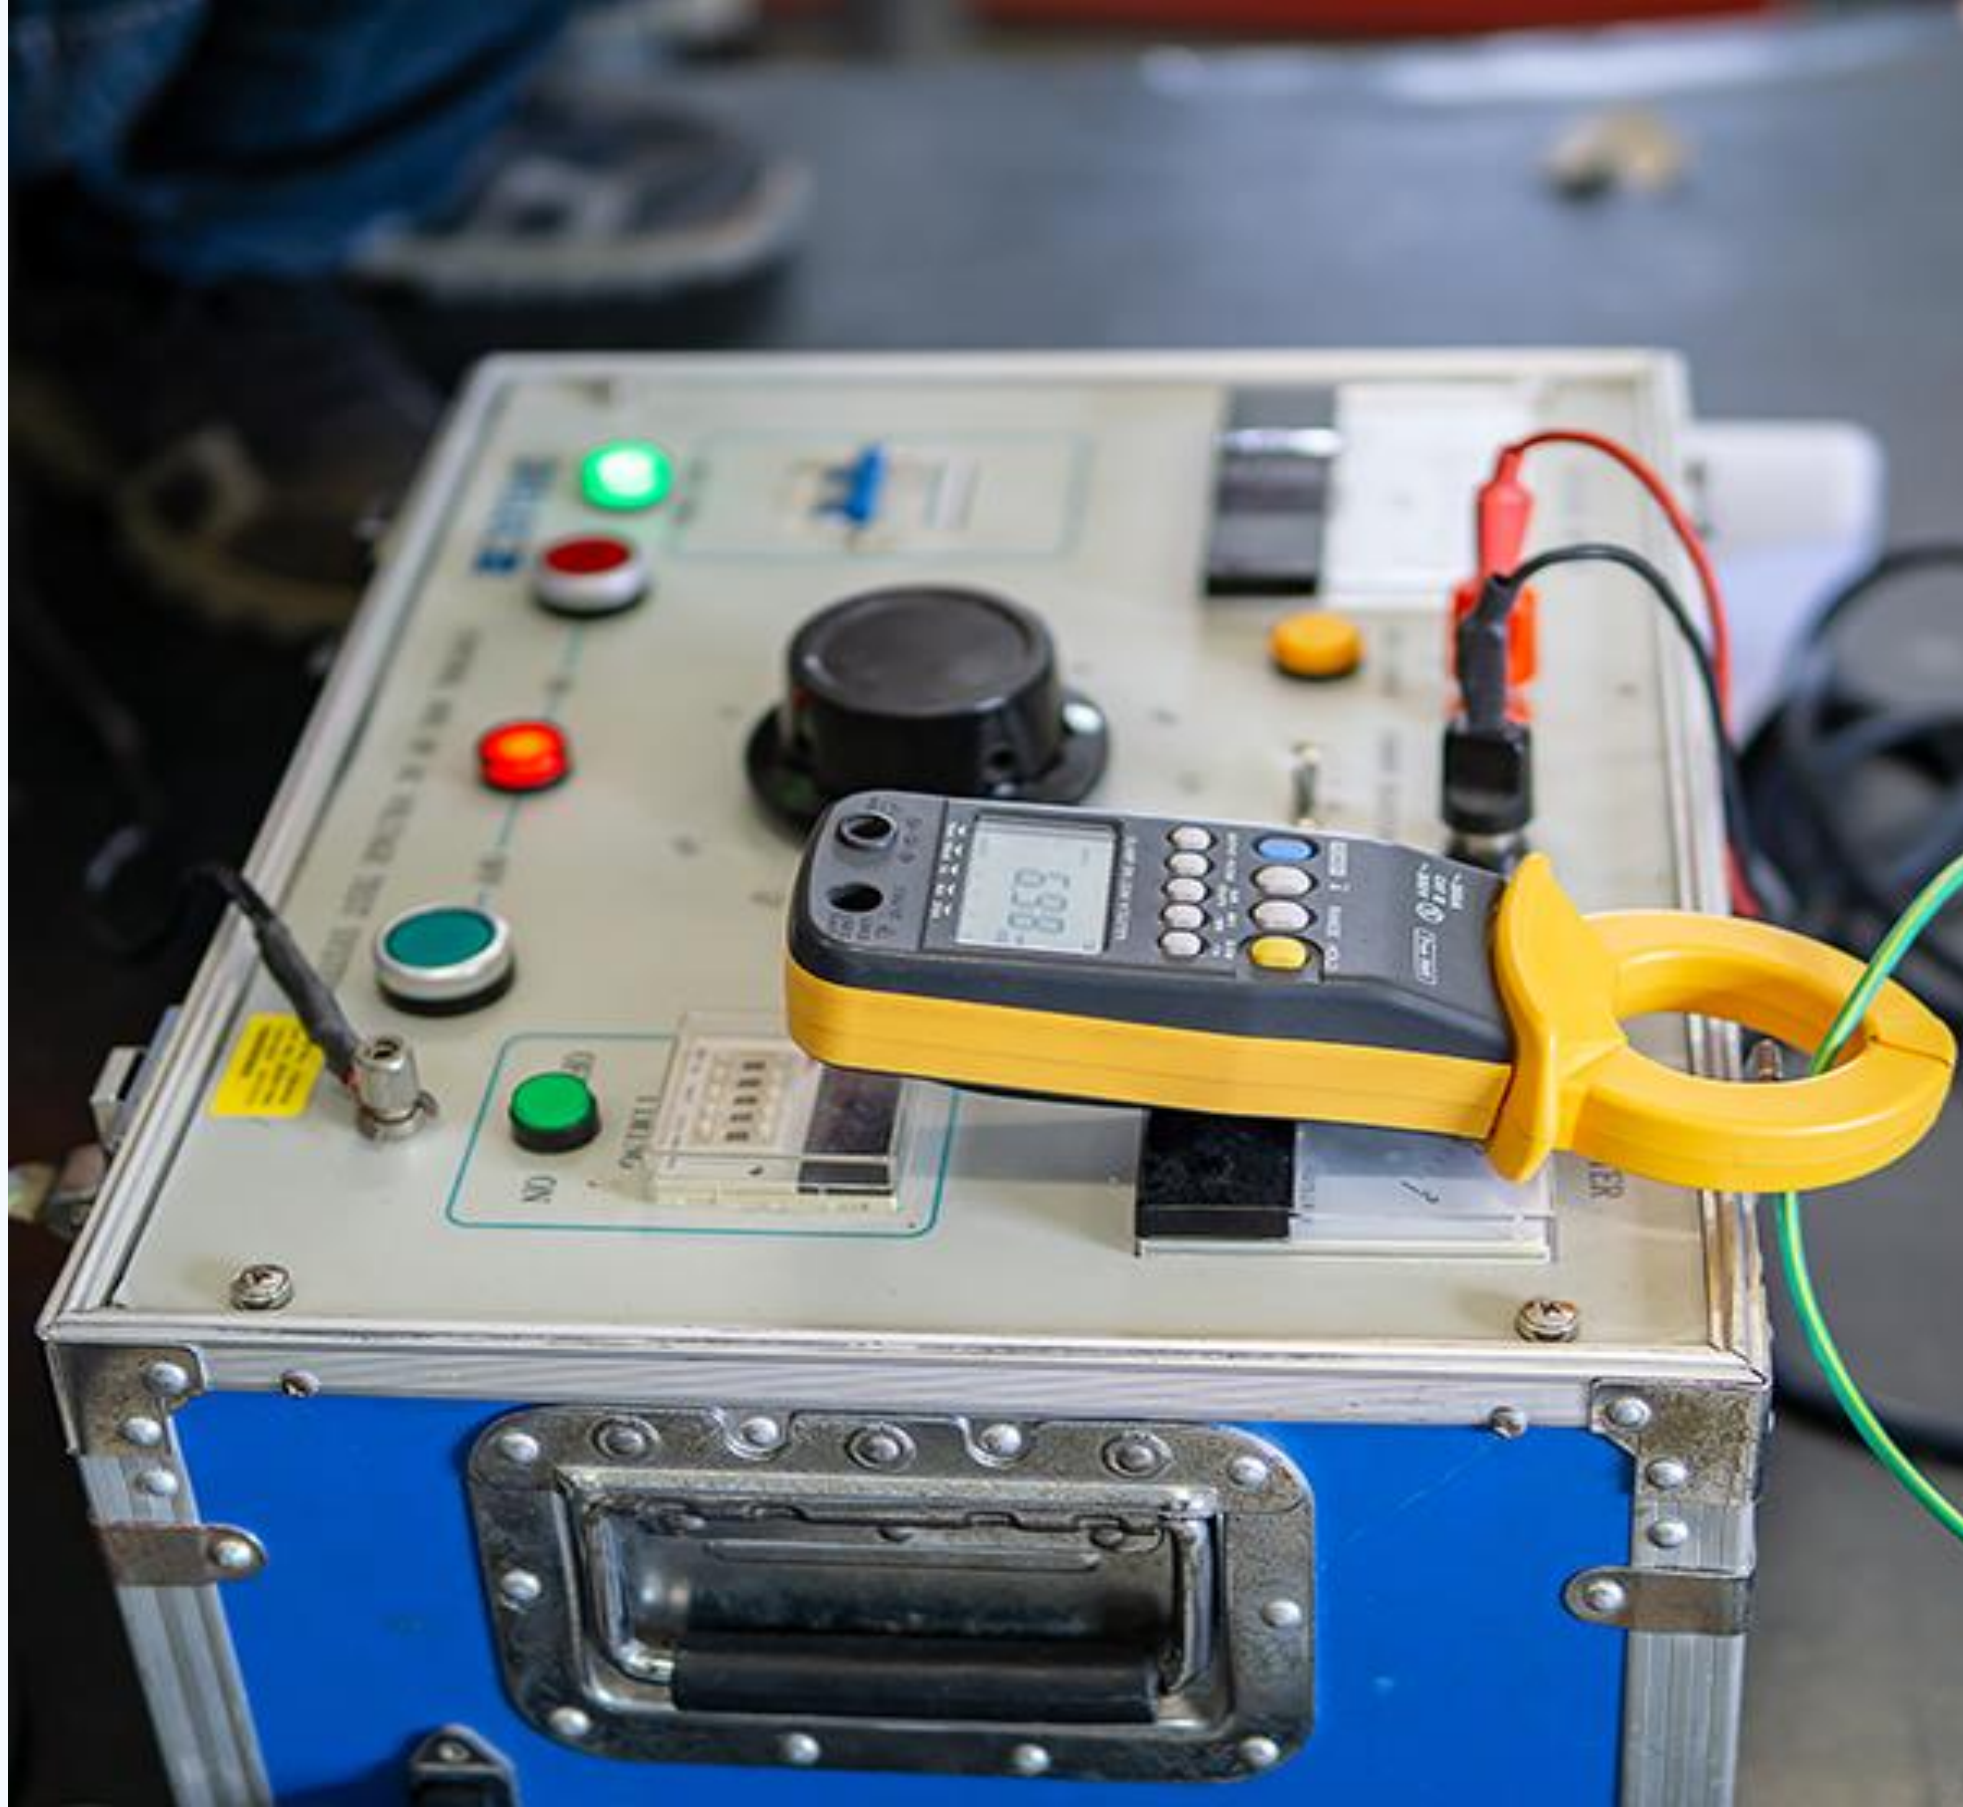

OUR SERVICE

- ❖ Servicing & Relay testing of ACB (Air Circuit Breakers)
- ❖ Servicing & Relay testing of VCB (Vacuum Circuit Breakers)
- ❖ Industrial Electrical Installation & Commissioning
- ❖ Preventive & Annual Maintenance Contracts (AMC) Testing, Troubleshooting & On-Site Repairs
- ❖ Thermography and power assessment
- ❖ Supply and Installation of Low Voltage Switchgear & Control Products
- ❖ Industrial Motor Supply & Maintenance
- ❖ Power Management & Energy Optimization Solutions
- ❖ Panel Board Fabrication and Upgradation
- ❖ Emergency Breakdown Support & Technical Assist

Power Management & Energy Optimization Solutions

At Unique Power Corporation, we provide a complete range of electrical contracting, maintenance, and power management services designed to meet the diverse needs of industrial and commercial clients. Our expertise covers every stage from design, supply, and installation to testing, servicing, and preventive maintenance. With a strong focus on safety, precision, and efficiency, we ensure uninterrupted power flow and long-term equipment reliability.

Our specialized services include servicing and maintenance of ACBs and VCBs, industrial electrical installation and commissioning, annual maintenance contracts, and on-site testing and troubleshooting. Each service is executed by a team of trained professionals using advanced tools and certified procedures, ensuring compliance with the highest industry standards.

OUR WORK SECTOR

Unique Power Corporation proudly serves a wide spectrum of industries, offering specialized electrical solutions tailored to each sector's needs. Our expertise and reliability make us a trusted partner across:

-  Manufacturing & Production Units – Comprehensive electrical installation, maintenance, and power management.
-  Engineering & Fabrication Industries – Precision control systems and switchgear servicing.
-  Commercial & Corporate Establishments – Energy-efficient installations and preventive maintenance.
-  Infrastructure & Construction Projects – Electrical setup for large-scale developments and utilities.
-  Power Generation & Distribution Companies – Support for low and medium voltage systems.
-  Automotive & Heavy Machinery Plants – High-performance electrical systems for continuous operations.
-  Institutional, Educational & Government Projects – Safe and compliant electrical installations and AMCs.

OUR CLIENTS

Over the years, Unique Power Corporation has earned the trust of leading organizations across India through its commitment to quality, safety, and timely execution. Our expertise in electrical contracting, switchgear solutions, and industrial maintenance has made us a reliable partner for some of the nation's most respected names.

WHY US?

- **✓ Authorised Channel Partner of Siemens for Low Voltage Switchgear and moters since 2019 – ensuring access to world-class products and technology.**
- **✓ ISO 9001:2015 Certified – demonstrating our dedication to quality management and continual improvement.**
- **✓ Class A Electrical Contractor License (Govt. of Rajasthan) – authorized to handle high-value industrial and commercial projects.**
- **✓ Udyam Registered MSME – recognized for reliability, compliance, and professional standards.**
- **✓ 14+ Years of Industry Experience – proven expertise in power management, maintenance, and electrical installations.**
- **✓ End-to-End Solutions – from design and supply to installation, testing, and servicing.**
- **✓ Highly Skilled Technical Team – equipped with advanced tools and training to deliver precision-driven results.**
- **✓ Quick On-Site Support – prompt response for troubleshooting and maintenance.**
- **✓ Customer-First Approach – transparent communication and long-term service relationships.**
- **✓ Focus on Safety and Sustainability – following national and international electrical safety standards.**

OUR SAFETY

safety is our top priority, and we are committed to ensuring the well-being of our employees, clients, and partners. Here's how we prioritize safety in all aspects of our operations:

- **Training and Education:**

We provide comprehensive safety training and education programs for all employees to raise awareness of potential hazards and promote safe working practices.

- **Safety Equipment and Gear:**

We equip our workforce with appropriate safety gear and equipment to protect them from electrical hazards, falls, and other workplace dangers.

- **Emergency Preparedness:**

We have robust emergency response plans and procedures in place to handle unforeseen accidents or incidents effectively, minimizing the impact on personnel and property.

CUSTOMR FIRST

At Unique Power Corporation, our customers are the driving force behind everything we do. We operate with a Customer-First philosophy, ensuring that every client receives personalized attention, reliable service, and solutions tailored to their unique requirements. Our approach is built on trust, transparency, and technical excellence, enabling us to deliver not just projects, but lasting partnerships. We believe that true service extends beyond installation — it includes timely delivery, continuous support, and dependable after-sales service. Our dedicated team is always ready to respond quickly, maintain open communication, and ensure uninterrupted performance of all electrical systems. By consistently exceeding expectations and upholding our commitment to quality, we strive to create long-term relationships founded on customer satisfaction and confidence.
